Office of the Secretary

Dear Chairman Powell and Commissioners,

It is with great dismay that I read in the newspaper recently that the phone companies are continuing to try to block the portability of mobile numbers for consumers.

Please do not give in to industry lobbying efforts. Let American consumers decide which company they want to use and keep their telephone numbers.

I have personally been affected (in a negative way) by the great inconvenience of being trapped with poor service that I can not leave. Changing my number would be a terrific interruption for me. Don't let them continue to get away with this.

Thank you for your time.

Sincerely,

D. Israel
